Speldhurst Grove

subdivision | stokes valley

**You design with Network Design
to your own layout requirements.**

Titles now available.

With maximum sun and great Valley views, located off Morrison Grove, these properties are only minutes walk to shops, parks, the swimming pool, transport and schools.

Consisting of stylish homes starting from 140m² upwards. All houses are built using only the latest modern material and chattels. Starting in price from \$360,000, this opportunity will not last long. All homes have plans for two bathrooms, double garaging and three or four bedrooms, depending on budget.

This exclusive upmarket subdivision has recently been renamed to reflect the historical connection of this area in Stokes Valley.

Contained in this brochure are proposals of different layouts, styles and prices to show what the developer has completed in different subdivisions.
